Mari is an ordained minister who has been practicing her skills in Reiki, Tarot, Astrology as a meditation leader, and officiating marriage ceremonies for more than ten years before recently moving to Humboldt. As a Tarot professional she has offered her insights at numerous psychic fairs as well as through individual sessions. Her clients have worked with her face-to-face and remotely via video with well received results. Since coming to Humboldt she has initiated the Sidereal Sisterhood Circle through Wholistic Heartbeat that has developed a strong following.

If you have an interest in a Reiki session, her rates are \$85/hour and can be arranged by email or phone. Reiki offers a non-invasive energetic transfer that can assist in clearing trauma energy from your system and provide you a lasting sense of wellbeing.

Tarot readings are \$85 for a one-hour reading that includes coaching for life path choices. Mari calls upon Universal energy to communicate details and offers her clients an opportunity to safely express concerns, dreams and discuss exploration their choices.

The Sidereal Sisterhood Circle is an open group that can be joined during the Balsamic phase of each lunar cycle. This is a dynamic personal development method that draws upon Tarot, Astrology and Moon energy to help you create your dreams while becoming part of a community that offers insight and support to your life. The processes applied within this Circle include making use of the lunar phases, exploring how our natal astrological chart is activated and uses the magic of Tarot to set intentions, plant our dreams and nurture them to fruition. The SSC meets twice each lunar cycle, at the Balsamic and Full Moon phases at the Wholistic Heartbeat studio in McKinleyville. The cost of the Sidereal Sisterhood Circle is \$20/lunar cycle.
