TaoReiki Holistic Services

- Reiki Master/Teacher
- Holistic Health Practitioner,
- State Certified Massage Therapist
- Umbanda Spiritualist, Omo Ogun
- Founder of the American Holistic Umbanda House

I received my holistic training at the World School of Massage and Holistic Healing Arts located in San Francisco, California. I blend the Japanese healing art of Reiki with Bodywork and Holistic counseling to support your health and well being. I have done energy work all of my life and draw upon spiritual insight and guidance to support your life's journey. I offer my own techniques of TaoReiki which combines Taoist principles with Japanese Reiki, and Ryoho Orishaki, an American Umbanda Healing System which draws upon the healing energies of the African Orisha. I believe healing is an ongoing process and I work together with my clients to enhance this state of being.

The American Holistic Umbanda House is dedicated to training healers through self work, healing others and community outreach.
